No one is working tomorrow. We used the map that was attached to the request and the guard was the one who opened the gate. The supervisor will ask the roll off driver if he is willing to come in, but that is at his discretion.

Hi Sarah,

I hope this email finds you well. I just received a call that the trash bin was delivered to the park, however the bin is now blocking the entrance to the garden and folks are unable to get in to take the trash out. I will swing by early tomorrow morning to take a picture.

Would it be possible to have someone go out tomorrow and move the bin?
